Hi Carl,

I have not heard any news on the response to the Governor's or Senator Lee's letters. We have another call planned with the OAQPS and will ask for an update. Also – we heard from Utah DEQ staff that Bryce is sending you a memo on Utah's trajectory modeling for 179B. Have you received anything from Bryce yet?

Thanks,  
Gail

Anyone heard if OAQPS is working a reply to this 179B letter from the UT Governor? I guess if they are they will let us know.

Mr. Benevento,

Please see attached a letter from Governor Herbert, Lt. Governor Cox, Speaker Wilson, and President Adams regarding Utah's ozone nonattainment status and the EPA's 179B guidance.

Many thanks for your attention.

Best,

Gordon
